In response to the Office Action dated September 15, 2000 (paper No. 4), please amend the above-identified application as set forth below:

In the Oath/Declaration:

Applicant submits herewith a Declaration in compliance with 37 C.F.R. §1.175.

In the Specification:

Please amend the specification as follows:

Replace the paragraph beginning on page 7, line 56 with the following:

This advantage offers yet another embodiment 300 of the invention as shown in FIG. 4. Consider a re-imaging lens which has been optimized to act on an intermediate image formed on a concave projection screen. Now consider that a scanning and modulated laser beam is used to directly form an intermediate image onto the projection screen. Since the exit pupil of the re-imaging lens is substantially independent of the size of the laser beam, the beam can be made so fine that focusing of the beam to form a focused scanning spot will not be required. As shown in FIG. 4, a scanning, modulated image source [310] 310' is placed

Re: U.S. Application Serial No. **09/478,849**

Attorney Docket No. CIC-037-US

Dear Examiner Nguyen,

The attached amendment was deposited with the U.S. Postal Service with sufficient postage as first class mail in an envelope addressed to Box REISSUE, Assistant Commissioner for Patents, Washington, D.C. 20231 on 16 January 2001.

Unfortunately, I inadvertently did not sign the Certificate of Mailing on the first page of this amendment that I mailed to you. I did however sign the certificate of mailing on a Terminal Disclaimer that was enclosed therewith.

This facsimile is being sent to certify that the amendment was mailed on 16 January, 2001. Would you please include the first page of this facsimile with the mailed amendment, so as to certify date of mailing of the amendment, in view of the request therein for a One-Month Extension of Time extending the date of response to 15 January, 2001 (a holiday).

Thank you very much for your assistance with this matter.

Very truly yours,

Kurt L. VanVoorhies
